A TED TURNER RESERVE

Soak up the first rays of summer immersed in nature at its finest. Explore Vermejo's 550,000 acres while enjoying a Southwestern Memorial Day Weekend. Reconnect with yourself, friends or family while taking in the sights, sounds, and scents of summer reborn.

Savor a gourmet cookout on the veranda while gazing out at a vast landscape filled with new life and tapping your toes to live music. Spend a day fishing on any of our 19 lakes or 30 miles of stream. Leave your phone and your cares behind while you horseback ride through prairies or forests, shoot clays or archery and hike, bike or ride on endless miles of trails, while learning the stories of the people and animals who occupied the land before we did. Jump into summer with an escape you'll never forget!
