

BERNAL LAKE CABIN

NOW OPEN FOR RESERVATIONS

VERMEJO
A TED TURNER RESERVE

“At Bernal Lake Cabin you’re transported to a simpler time, listening to the wind in the trees and stories by the fire. It’s just you, and nature, but with all of the luxuries and comforts you’ve come to enjoy.”

We’re excited to announce Vermejo’s premium secluded stay experience is open for reservations beginning in April 2024. Take time to soak in the sights, sounds and scents of nature from the rustically luxurious 2-Master Suite cabin with window wall views of Bernal Lake, private decks, a gas fireplace, heated floors and in-suite soaking tubs. An outdoor cedar soaking tub and living area beckons guests to while away the hours outdoors, immersed in Vermejo’s natural beauty.

Your Reserve Ambassador will help you design an itinerary with the perfect balance of adventure and leisure, as well as custom designed meals with chef prepared offerings onsite, or delivered at your request. Delight in exclusive use of Bernal lake and the surrounding area for fishing, canoeing, hiking, mountain biking, and waterside fun, as well as wintertime ice fishing and showshoeing. Don’t forget to plan time for your private guide to take you on a tour to see Ted Turner’s stunning 558,000 acre conservation wonderland and the creatures who call it home.
